---

Val,

Based on the inspection and the finding, we do not believe that an emergency repair is warranted at this time.

We understand that repairs are needed. That is why you should wait for the managers to review the report before it is sent out. CAS

Gary reviewed and had no comments. You were not in office yesterday.

Sincerely,

Valmichael Leos

Val,

We want to review and comment on the inspection report before it is sent out to anyone. Thanks
